REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA

To

**The Director of Municipal Administration,
Urban Administrative Building,
Raja Annamalaipuram, MRC Nagar,
Chennai-600028.**

1. We have audited the accompanying financial statements of the World Bank assisted "Tamil Nadu Climate Resilient Urban Development Program" financed under World Bank Loan No. IBRD Loan No.9625IN, which comprises the Statement of Expenditure (SOE) (Annexure I), Statement of Sources and Application of Funds Report (Annexure 2) Annexure 3 – Reconciliation of claims to total application of funds, Appendix 1-Annexure to Reconciliation of Claims to Total Application of funds, Appendix 2- Ineligible expenditure details -over all abstract, Quarter wise Expenditure Statement for the financial year 2023-24. These statements are the responsibility of the Project's Management. Our responsibility is to express an opinion on the accompanying financial statements based on our audit.
2. We conducted our audit in accordance with the Auditing Standards promulgated by the Comptroller and Auditor General of India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit examines on test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used, and significant estimates made by the management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. In our opinion, the financial statements present fairly, in all material respects, the sources and application of funds of the project for the year ended 31st March 2024 (01 April 2023 to March 2024) in accordance with Government of India Accounting Standards.
4. In addition to our opinion,
 - a. A sum of Rs.2,55,62,239 was transferred from Tamil Nadu Sustainable Development Project (which was assisted by World Bank and the project is closed) for retro financing activities of TNCURDP have been utilized for the intended

purposes. However, in the - Statement of Expenditure (Annexure 1), the amount transferred from TNSUDP project valued Rs. 2,55,62,239/- was mentioned as short term loan taken which is incorrect. Audit raised an observation on this and the department subsequently revised it as 'Rs.2,55,62,239/- *received for retro financing activities - TNCRUDP from Tamil Nadu Sustainable Urban Development Project.*'

- b. With respect to SOE, adequate supporting documentation has been maintained to support claims for reimbursement of expenditure incurred.
- c. The total payments made during the financial year 2023-2024 amounted to ₹2,47,38,491/-. However, out of this, a sum of ₹48,145/- claimed towards *Advance to employees, Travelling claims, and expenditure relating to a staff member working for both projects assisted by the Asian Development Bank and the World Bank* has been disallowed.
- d. Hence, the total expenditure incurred after deducting the above-mentioned inadmissible expenditure would be Rs. 2,46,90,346. The report is issued without prejudice to Comptroller and Auditor General's right to incorporate the audit observations in the Report of Comptroller and Auditor General of India for being laid before Parliament / State / Union Territory Legislature.
